## u.s. veteran cooks hot and hearty breakfast

On a chilly morning in March, a long line formed at the doors of The Foundation Dinners. The word was out that Darrell Wallace was cooking, and the hungry and homeless of Lancaster don't want to miss Darrell's breakfast. Wallace, a veteran of the wars in Iraq and Afghanistan, cooks breakfast once a week, scheduling around his work as a Paramedic for the Lancaster Fire Department. His wife, Katheleen helps when her busy schedule as a Fairfield Medical Center ER nurse and graduate student allows.

This morning, bacon, eggs, hash browns, biscuits and sausage gravy were all on the menu. The Wallaces cook and serve the breakfast, with cheerful banter, engaging the people who are being served. It's obvious they really care about those they have come to know through volunteering weekly for the past two years.

The Wallaces first got involved with The Foundation when their Bible study group from Fairfield Christian Church began serving as one of the Dinner teams. Darrell and Katheleen wanted to do more.

## veteran cooks *continued*

From that desire has come a weekly hot and hearty breakfast for some of our community's underprivileged members. When asked why he is doing this, Darrel says, "It helps keep me in check and I love how grateful the people are."

# much more than a meal

About 7 years ago, working as an innkeeper at The Foundation Shelter, I closed the building at about 7:30 am on a cold and rainy day. All the people in the shelter had to leave and were on their own to find a place to get out of the elements. I went to my warm home and then off to run some errands for my wife. As I went to the first store, I saw one of the homeless people walking in the rain and cold. The same thing happened as I went to each store on my list. It really troubled me knowing there was really no good place for any of these people to go.

I decided that day, if there was any way in the future, I would provide a safe and warm place for these people to stay during the day. About one year later I became the Agency Director for The Foundation Dinners. At that time we were providing one meal a day, so I first decided to provide a lunch and then a breakfast as well. For the last 3 years we have been providing three meals a day. During this time we also decided, with help of volunteers, to keep the building open all day from 8:00 am to 5:30 pm every day so the homeless would have a place to come out of the weather. We are the ONLY day time shelter in Lancaster and possibly Fairfield County. There is really nowhere else these people can go and feel welcome to stay through the day.

The Foundation Dinners is not known as a shelter, but in God's mercy and help, we are providing daily shelter for the homeless.

I have also seen the need for a case worker and programs to help the homeless find housing and jobs, and assistance with resume' writing and life skills. This work is progressing and is a great encouragement to the homeless. We have seen some remarkable results and have testimonies of peoples lives being changed as a result of our concern and help.

Your support keeps us operating and doing progressively more and more to help people help themselves. Our mission is to help the helpless and to help those who can help themselves find their way through this dark time in their lives. God bless you all for your continued support. I really believe God will bless you as you give to support our work.

Thank you!
